

## Insurance Benefits Verification

To help you fill out your New Patient Packet and understand your insurance benefits including what amount you'll owe for acupuncture visits with Lily Isaacson, here are some questions to ask when calling the customer service number on the back of your insurance card:

Is acupuncture a covered benefit under my plan?

Codes we may bill:

Name of Service	CPT Code	Name of Service	CPT Code
New Patient Visit	99203	Cupping/Moxa	97139
Acupuncture	97810, 97811	Tui Na	97140 (59)
Electroacupuncture	97813, 97814	TDP	97026

Is Lily Isaacson an in-network provider under my coverage (NPI #1609391036)?

What is my deductible? What amount remains before I meet my deductible?

What is my out-of-pocket maximum? What amount remains before I reach my out-of-pocket maximum?

Are my acupuncture benefits combined with any other benefits?

Is there a limit to how many covered visits I have? If so, how many visits have been used so far this year?

To use my acupuncture benefits, do I need a prescription, referral or pre-authorization?

Do I have a copay or coinsurance for acupuncture visits? Does my deductible apply to that copay/coinsurance?
